SELECCIÓN
LA CONCORDIA

NUEVO PARAÍSO
MICRO LOT

Producers: 5,000 (estimated)

Farm size (Avg): 3 - 5 ha. Some producers reaching 20 ha.

Region: Nuevo Paraíso, La Concordia, Chiapas, Mexico

Processing: Fully Washed

Grade: SHG

Altitude: 1,550 masl

Varietals: Typica, Bourbon, Pluma Hidalgo, Caturra, Costa Rica 95, Oro Azteca, Catimor, Mundo Novo, Marsellesa, Sarchimor T5296

Harvest: December - March

This region is also well known for its dry and rainy seasons, which are very well synchronized with the physiology of the coffee plant. During harvest season, the weather is cold with little rain which helps to extend the fermentation time and drying conditions, and as a consequence, improves the coffee cup quality.
