STORY OF THE PRODUCER:

"I am from a family that has been in coffee farming for 5 generations, I was born and raised seeing my father and grandparents working in the activity. Tradition and the challenge of quality strongly motivate us to continue this legacy of several generations."

THE REGION:

It's in the south of the state of Minas Gerais, in the region of Mantiqueira de Minas. With a centuries-old tradition of producing high-quality coffee, Mantiqueira de Minas is today one of the most awarded regions in Brazil. These are rare and surprising coffees, reflecting the combination of a unique terroir and local know-how that continually strives for excellence.
