

**Olam
Coffee**

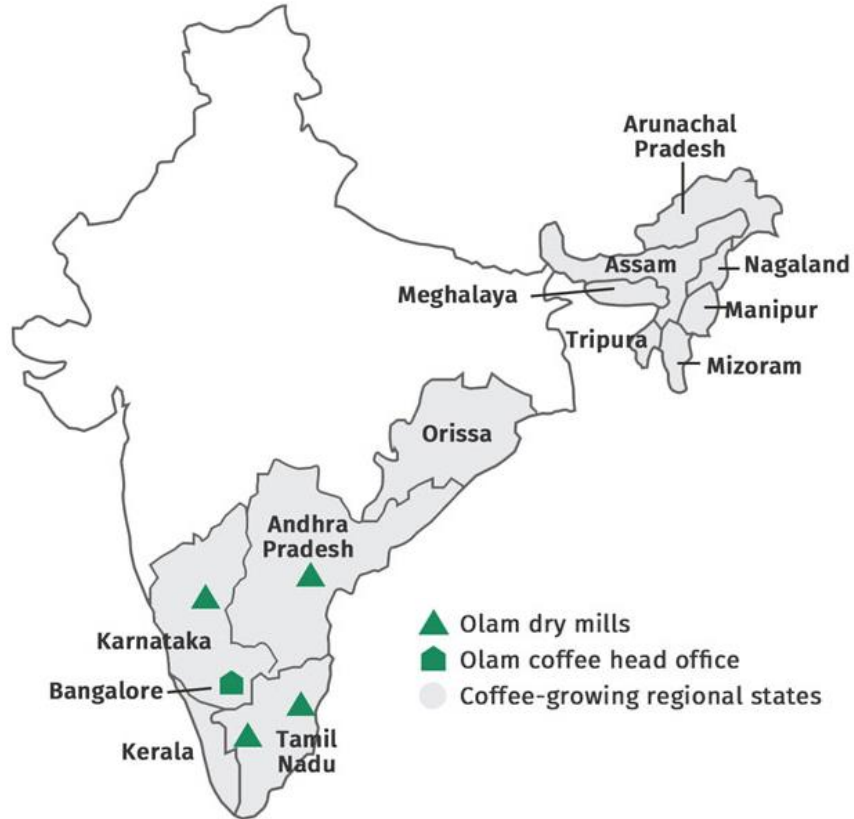

Olam India Snapshot

- Founded in 1994
- 8 Warehouses
- 5 Buying Units
- 4 Dry Mills
- 2 Cupping labs
- 4 QC Staff Members
- 1 Q Grader

“India is the only country that grows all of its coffee under shade. It is also hand-picked and often inter-cropped with spices that increase the coffees’ aromatics. Typically mild and not too acidic, these coffees possess an exotic full-bodied taste and fine aroma.”

- **Abhinav Goyal**
Deputy General Manager
Olam Agro India
