

Olam Zambia Snapshot

- Founded in 2012
- 1 Warehouse
- 1 Dry Mill
- 1 Wet Mill
- 1 Cupping Lab
- 2 QC Staff Members
- 1 Q Grader

“Our Zambian estates are all above 1300-1400 Masl, good conditions for high quality coffee. We also have an active social footprint with our estate housing and are supporting an 800 student school, a medical clinic, as well as ongoing work on an active outgrower program which we will be rolling out over the next 2-3 years.”
