

Olam Tanzania Snapshot

- Founded in 2012
- 1 Warehouse
- 1 Dry Mill
- 1 Wet Mill
- 1 Cupping Lab
- 2 QC Staff Members
- 1 Q Grader

“We have started an out-grower program and have distributed 150,000 seedlings to 700 farmers. Also, we take an active social footprint with a functioning primary health center. The project is funded by FMO and is a model farm for responsible water resources management.”

- Aranyak Sanyal
