STORY OF THE PRODUCER:

"Our family has been in the coffee-growing activity for generations, passing from great-grandmother to great-grandson, all on the coffee-growing. In times of crisis, it is important to be able to add value to our product, thus requiring better treatment, both in handling and in the post-harvest activities. Our concern is to produce quality coffee that meet market expectations, always taking care of the environment and the well-being of our employees."
